

100 years & Counting!

History

IAOGI CANADA was birthed in the year 1918 as the Scandinavian Assemblies of God in the United States of America, Canada and Foreign Lands.

It existed under this name from 1918 to 1935. In 1935 at an annual convention in Minneapolis Minnesota, the Scandinavian Assemblies of God merged with a group called the Independent Pentecostal Churches.

The name of this new fellowship was, and to this day remains:

The Independent Assemblies of God International.

We stand on guard as the Lord's faithful servants for Canada and the Nations!

Celebrating 100 years...

Church historian Dr. Roberts Liardon will be our main plenary speaker for this event. Dr. Liardon is a respected Christian leader of our generation. As an author, public

speaker, spiritual leader, church historian, and humanitarian, he has ministered in over 125 countries. His books have been translated into more than sixty languages, and over fifteen million have been sold worldwide. He continues to speak to this generation of Christians and churches, helping them to draw closer to God, grow in spiritual maturity, and impact their communities.
